

## Invitation

The Department of Civil and Transport Engineering, section for Marine Civil Engineering, NTNU invites prospective authors who have interest in Coastal Marine Civil Engineering including Port Engineering and Arctic Marine Civil Engineering to submit and present a paper during this International Workshop on «Coastal Technology». It will be held at The Norwegian University of Science and Technology, NTNU, Trondheim, Norway during 29-30 May 2008. The workshop is a tribute to Professor Alf Tørum on his 75<sup>th</sup> birthday. In general, papers are invited for poster presentation; 14 will be selected for oral presentation (15 min presentation + 5 min for questions).

## Aim

The principal aim of the workshop is to present past and ongoing international research and address future research needs in fields that have been of large interest for Norway and in which Alf Tørum has made significant contributions. These fields are indicated by the title of the different sections in the program.

## Venue and registration

The workshop will be held at the Gløshaugen campus at NTNU, Trondheim Norway. The registration fee is

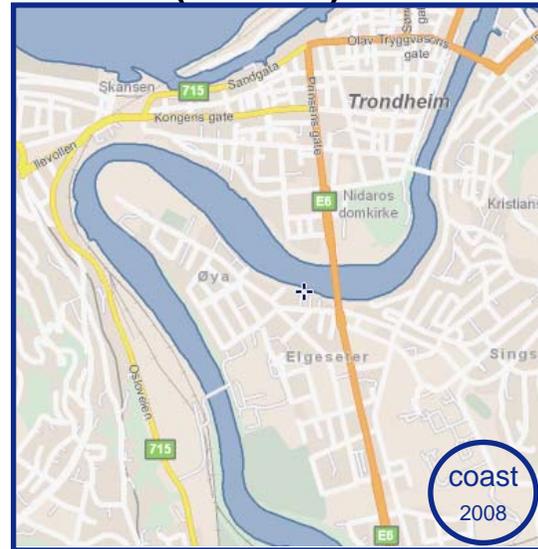

- Workshop including lunches: NOK 600.
- Workshop, lunches and social dinner: NOK 1200.

The fee includes a Book of Abstracts and a CD containing the papers presented (either orally or by poster). Register at the workshop home-page <http://www.ivt.ntnu.no/bat/english/coast2008/> no later than **26 April 2008**. The website will be active from 15 September 2007.

## Submission

Authors must submit a two-page abstract as a pdf-file by E-mail to [coast.2008@bygg.ntnu.no](mailto:coast.2008@bygg.ntnu.no) no later than **16 February 2008**. A notification of acceptance and presentation form will be sent by **28 March 2008**. Full papers are due by **2 May 2008**.

## Address (location)

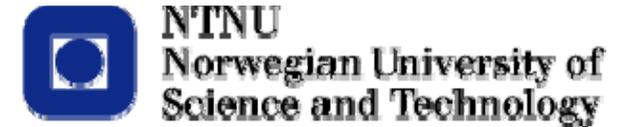

**Coast2008, Department of Civil and Transport Engineering, NTNU, Høgskoleringen 7a, NO-7491 Trondheim, Norway.**

## International workshop

**«COASTAL TECHNOLOGY»**

**Celebrating Professor  
Alf Tørum's 75<sup>th</sup> birthday**

**29 – 30 May 2008**

**Sponsored by:**  
The Norwegian Coastal Administration  
STATOIL  
NTNU

## International workshop on «COASTAL TECHNOLOGY» Tentative Programme

### Thursday 29 May

0800-0900 Registration  
0900-0915 Opening and welcome address

#### Session A

##### Wave propagation and Wave kinematics

0915 -1000 Invited speaker: Prof. Stanislaw  
R.Massel, Poland  
1000 -1100 Paper presentations

**1100 -1120 Coffee break**

#### Session B Breakwaters

1120 -1200 Invited speaker: Prof. Hans F.  
Burcharth, Denmark  
1200 - 1300 Paper presentations

**1300 - 1400 Lunch break**

**1400 - 1430 Poster briefings**

#### Session C Pipelines

1430 - 1510 Invited speaker: Dr.  
Hermann Moshagen, Norway  
1510 -1610 Paper presentations

**1610 - 1615 Coffee break**

**1615 - 1745 Poster stand presentation**

**2000 - Social dinner**

### Friday 30 May

#### Session D

##### Wave/Vegetation interaction

0900 - 0945 Invited speaker: Prof. Inigo J.  
Losada, Spain  
0945 - 1045 Paper presentations

**1045 - 1100 Coffee break**

**1100 - 1200 Special talk by Prof. Alf  
Tørum, Norway**

**1200 - 1300 Lunch break**

#### Session E Challenges in Cold Waters

1300 - 1345 Invited speaker: Prof. Sveinung  
Løset, Norway  
1345 - 1445 Paper presentations

**1445 - 1530 Discussion and closing**

### Organizing committee

Professor Eivind Bratteland, NTNU  
Professor Sveinung Løset, NTNU  
Dr. Thomas McClimans, NTNU/SINTEF

### Workshop coordinator:

Associate Professor Øivind A. Arntsen

## NTNU key figures

53 departments in 7 faculties

NTNU Library; Museum of Natural History and Archaeology

58 000 student applications a year  
– of which 9500 have NTNU as their first choice

20 000 registered students, 7000 admitted/year

3000 degrees awarded/year

240 doctoral degrees awarded/year

4300 work-years

2500 empl. in education and research; 550 professors

Budget: EUR 475 million

555 000 m<sup>2</sup> owned and rented premises

Professor emeritus Alf Tørum
